

Ref : SPC/DMEA

Date : 9/2/2009

TO WHOM IT MAY CONCERN

This is to certify that AES ARABIA LTD has successfully completed the scope work required under SPC contract 48/2006 (tender 31/2005) dated 7 Feb 2006 for the supply of containerized Reverse osmosis Seawater treatment to our complete satisfaction and in accordance with project specification and in compliance with SPC requirements .

AES ARABIA LTD continue to provide technical and operational support to the RO plant provided thru their local Port Sudan Agent , M/S . Tasneem and have shown complete responsibility and prompt response to all our requests for field support and occasional troubleshooting .

We do recommend AES ARABIA LTD for similar work in the future and commend their commissioning and start up teams for their continued cooperation and support for our Operations service contractor .

With best regards
