TO WHOM IT MAY CONCERN

This is to certify that SETE Energy Saudia for Industrial Projects, Ltd. had awarded AES Arabia Ltd., a subcontract for the engineering, design, manufacture and supply of the R.O. Skids including the manufacturing the duplex stainless steel piping), and lime dosing package system for the 40,000 m3/d, two pass Sea Water Reverse Osmosis Desalination plant at King Abdullah University of Science and Technology project (KAUST), IN Thuwal, Western Province of the Kingdom of Saudi Arabia.

AES was awarded this work based on their technical expertise, manufacturing capabilities and successful track record with Saudi Aramco.

AES has completed its contractual obligations to the satisfaction of SETE and the end user's representative, Saudi Aramco. We highly recommend AES Arabia Ltd. for any future work with SETE or any other company.

Yours sincerely,

N. Synodinos
Projects Manager
